THINGS THAT GO NIGHT

Wednesday, Oct 5, 2022

5:30 - 7:00 pm

Come join the excitement for our "Things That Go Night", federal programs night and discussion about the possibility of going to a four day school week.

Supper will be provided - hotdogs, chips and drinks.
The NHS will be reading stories to the kids as well

We will have a Life Flight Eagle helicopter on the school grounds. There will also be a fire truck, ambulance, MO-DOT vehicle, school bus, Green Hills Communications vehicle, a police car, an army truck and hopefully more vehicles here for your kids (and you) to explore and ask questions about. It will be a fun night of hands-on learning and experiencing these vehicles up close and personal.
