March 10, 2023

Dear Parents and Guardians,

On Friday, March 31, 2023, Green Hills Communication will be hosting their Annual Meeting here at Breckenridge R-I School. This is a major event and requires “all hands on deck” to make it a success.

I am asking that you share your students with me that evening. The different areas that we need help in, and have assigned students to, are as traffic directors, kid zone helpers, popcorn and pop preppers, and meal servers.

Green Hills gives the school district money for hosting this event. We want to see that money given back to our students. The money will be divided up amongst the different 7-12th grade classes and sponsored groups. In order to treat this event like a “fundraiser/activity” that the classes profit from we need students to be in full participation, dressed appropriately for their assigned area, and giving their best effort.

Students will need to stay after school that day to set up and work the event throughout the evening. This event begins at 4:00 pm and we have been told it normally lasts about four hours, so we hope to have all students on their way home before 9:00 pm.

With this major event, our students, staff, and faculty will be representing the district to a large number of people both inside and outside of our community. We want to make sure that the participants of the Greenhills Annual Meeting know that the Bulldogs are the best students around!

Respectfully,

Ms. Kadee McMillan

Dear Bulldog Parents, Guardians, & Stakeholders,

The Breckenridge R-I School District will be holding its annual Title Evaluation Meeting on Thursday, March 23, 2023, from 5:30 pm to 7:00 pm in the school Library.

The purpose of this meeting is to look at the different Title programs the district qualifies for and reflect on the goals, finances, and needs of the district in order to develop a plan that will guide the Title programs next school year.

If you would be interested in participating in this evaluation of our Title programs we welcome you to join.

The Parent Teacher Conferences will also be taking place that day/evening from 1:00 pm to 7:00 pm. Our goal is not to decrease the participation in the conferences, but rather limit the number of evenings you would need to arrange to be at the school with the hope that you would be able to attend both.

If you have any questions or concerns please feel free to reach out.
